

Allin's Cove Restoration: Salt Marsh Planting

Saturday, May 6th
8am to 12pm
12pm to 3pm

Join Save The Bay, Allin's Cove Neighborhood Coalition, Coastal Resources Management Council, and the Barrington Land Conservation Trust this spring for an exciting salt marsh planting project at Allin's Cove in Barrington. We will be planting a low marsh grass, *Spartina alterniflora*, and a mix of high marsh grasses, *Spartina patens* and *Distichlis spicata*. This project has been funded by the Army Corps of Engineers, the Coastal Resources Management Council, the Town of Barrington, and a partnership between NOAA Restoration Center and Restore America's Estuaries.

Please bring:

- hat and sunscreen
- work gloves
- work clothes
- sturdy, closed toe shoes

Optional:

trowel

FOOD AND DRINKS PROVIDED!
